GEORGE-ANNE

October 6, 1923.

On Tuesday we enjoyed one of the most inspiring chapel talks we have had this year. We had as our guest for the occasion Dr. A. D. Winship, an outstanding educator. He told us that since 1920 we have been living in a world which was practically new, for, since that time, the world has been completely made over.

Altho great progress has been made in almost every field, among the most notable is that in astronomy. Eight years ago we knew nothing of value about the Heavens. Since that time Anne Cannon, one of the twelve greatest women has catalogued over 250,000 stars; and two years ago Howard Chapley discovered another universe; since the second universe was discovered two more, making a total of four, have been discovered.

Telepathy has gone forward a great deal since 1920. Dr. Winship said that in all written work it wasn't so much how we wrote that counted but the personality we put into it-something that we do that no one else has thought of doing in that manner.

There is something in the autumn that is
Native to my blood
Touch of Manner, hint of Mood;
And my heart is like a rhyme,
With the yellow and the purple and the
Crimson keep time.

The scarlet of the Maples can shake me
Like a cry of bugles going by.
And my lonely spirit thrills
To see the frosty asters like a smoke
upon the hills.

Richard Hovey.

closed and everything arranged so as to give every child an opportunity to visit the fair grounds. Nor were the school children all who were happy. The Normal students were all given complimentary tickets. With a football game and the fair, Friday was to be a red letter day for Normal students. After a very interesting football game everyone migrated to the fairgrounds. Here were people, people there and people everywhere. It was really interesting just to watch the crowd. Each boat upon his or her amusement was gayly dressed girls with silvery glittering to and fro, boys as boys all in gangs, while here and there appeared a boy with a little more nerve or a little bigger pocket book who escorted his girl around, to the intense envy of his rival--A jostling, bustling, happy throng. There were many interesting features. The usual round of ferris wheel, merry-go-round, (cont. p.2)

Every student of G.N.S. loves the school. Love leads to loyalty. Have you ever checked up on yourself to see in what ways you were proving your loyalty and love as well? There are many ways in which you can prove this.

Behind your love for the school there is what we call school spirit, and a true sense of sportsmanship. About the biggest thing we can do now to prove our loyalty is to back the "Blue Tide Eleven". They're not fighting just for their own honor but for every student and for the school. When you went to pep-meeting did you yell just as loud as you could? If you did you made the teachers, the team, and everybody in general feel better. No doubt but that your Conscience felt better, too. That season ticket you bought was just another way in which you proved that you had a direct interest in the team. So back the "Blue Tide", and not only Waynesboro, but every other opposing team will go away feeling that Ga. Normal's got the pep!

Our campus is a thing of beauty and it should be a joy to every student. When you buy eats at Cail's & Pafford's store don't forget that trash cans are placed conveniently for the papers. Ga. Normal is your home for the next eight or nine months. Treat it as well as you do your own room at home. It proves that you have a feeling of responsibility for your school. It proves that you are loyal.

The library is something that every student should feel grateful for. It's not as large as some of the libraries of older institutions, but nevertheless, it affords splendid opportunities for study, for reading, and keeping up with the daily news. Sometimes maybe you are disturbed by the person nearest you carrying on a conversation with his or her neighbor. You think of it being very annoying. And when an impulse strikes you to do likewise, check it; for you will only be showing that you can be the type of student everyone admires.

Cooperate in dormitory, class and campus activities. Do your best in Eleven, have a feeling of responsibility for your school and campus. Be that type of student that is loyal, lovable, a true sport and when you do your best in all these, Ga. Normal will say: "We are proud of him or her".

swings, and side shows. What would a fair be without a merry-go-round I wonder?

Perhaps the most interesting feature was the display of exhibits of the schools and agricultural exhibits. The agriculture products of Bulloch county were very creditably represented, giving the stranger an idea of the importance of Bulloch county as a farming section.

Bear your Brother's burden,
Has it meant a thing to you?
Have you helped another
Fight his battles through?
Just a smile of greeting
With a tender word or two
May add a ray of sunshine
As nothing else can do

Gems of rarest beauty
May be hidden from the light
Far beneath the ocean
Where the sky is never bright.
Nothing there but silence
Where no foot of man has trod
Tomb of ancient sailors
Resting there alone with God.

So it is with kindness
Hidden deep within a heart,
Closed by selfish purpose.
With no lesson to impart.
Clim above the darkness,
Give your soul a chance to grow,
Bring to light its beauty.
Or the world will never know.

Sidney Boswell.

The school exhibits were good and showed that a great deal of care had been spent by the pupils and teachers throughout the county. The booths of Statesboro High and Troup No. 1 of the Boy Scout were very attractively arranged. It took, no doubt, a great deal of initiative and sense of beauty to arrange these booths that did their makers credit.

Having seen all there was to see the students made their way again to the college, the girl's under the cover of Mrs. Bell's wing, the boys coming in later by two's and three's with much laughter and singing the tune of "Old McDonald Had a Farm" being quite predominate. With light hearts and still lighter pocketbooks the students voted the fair a success and the evening a very pleasant one. Many votes of thanks and gratitude to the people of Statesboro, Georgia, who made the fair possible!

-----Edwin Markman.

The Freshman class held its first meeting as a class Saturday morning at the regular chapel hour. The purpose of the meeting was to elect the officers for the year. Mr. Phagan and Miss Clay, two of the Freshmen Sponsors, were in charge of the meeting.

Mr. Phagan opened the meeting by explaining the purposes of the meeting, the purpose of the organization of the class, and the qualities that should be possessed by an officer. After this nominations were made from the floor and there a secret ballot was cast. The result of the ballot was the election of the following officers:
President-----Sidney Boswell-Garfield
Vice-Pres.-----Johnnie Beasley-Statesboro.
Sec. & Treasurer---Harriet Roberts-Swainsboro.

These officers will meet in the near future to plan the program for the year, and another meeting of the class will be called in the near future. Under their leadership the class is expected to rise to glory and fame in the history of old G.N.S.

Blue Tide Scores a Victory the First Game.

The Blue Tide of Ga. Normal, scrubs and all, hauled down the colors of Waynesboro, September 28, in their opening game 26 to 0. Flashing an unstapable offense the Tide marched to four touch downs and two extra points. The first came in the first half when Sam Baker bruised his way over right tackle for six points. The next counter was made by Johnny Beasley who made a forty yard sprint around left end on a reverse trick play.

In the last half Neesmith who replaced Tillery, side stepped his way to the touch down. After the next kick off Fritz Jones side stepped and twisted his way forty yards through the whole Waynesboro defense for the fourth marker.

The Tide as a team performed well. The Coaches, however, were not satisfied in that the forward wall needs much polishing and handwork. Find possibilities showed on the line. Sidney Boswell and "Foots" Mathis especially were outstanding in their difficult tackle roles. Mat Lowry also showed that he has the "stuff" to make a fine man in the pivot position.

School Spirit

Rah, Rah, Rah! Rah, Rah, Rah!
Normal! Normal!

What is school spirit? School spirit is that initiative which the students show in their work and which vibrates from one to another. School spirit is that fire which burns within us and causes us to cheer on to victory our athletes who otherwise would not do their very best unless urged on by the whole school.

Good school spirit is shown in various ways on the campus. There is the highest degree of school spirit exerted on the athletic field. The students play not for their personal gain, but because they love their school.

This same spirit applies to literary contests, debates, societies, clubs, classroom work, and all other situations that demand good loyalty, cooperation, and fine ideal. The real student will never make a remark that could injure the school in any way, but will boost, at every available opportunity, the school of which he is a part.

The school is what each pupil and faculty member makes it; therefore, the responsibility of making the school a success lies with the individual, and he must play his part fairly or the school will be a failure.

Carolyn Lee.

Georgia Normal School.

I don't believe that there could be
A better place on earth for me
Than this dear Georgia Normal School
Where we have every proper tool
To build great men of smaller toys.

I don't believe that you could find
Anywhere in the land of pine
A finer group of girls and boys;
I'll sing its praise, for this I know
Georgia Normal has begun to grow.

Now Students at Georgia Normal

The campus seems to be literally running over with enthusiastic students. To the regular term student body has been added those who have come in for the spring short term which began April 25. An interesting comparison of figures show that we have an enrollment of sixty new students while last spring there were only six. We now have a total enrollment of 219 while there were only ~~219~~ 129 last year. Watch Georgia Normal grow! The new students who have registered are: Misses Ruth Belcher, Maggie Hendley, Martha Grissom, Audry Bailey, Huldah McMichael, Ola Herrington, Ethel McCormick, Sallie Eubanks, Frontia Olliff, Grace Daughtry, Julia Bell Quattlebaum, Bertha Hagan, Maude White, Lucile Starnes, Louise Burke, Grace Thomas, Early Kate Starnes, Leora Williams, Monica Robinson, Laura Dasher, Lucile Curry, Marie DeLoache, Eva Garrison, Naomi Shipp, Irene Webb, Bessie Mae Taylor, Orie Jimerson, Bessie Thomas, Dorothy Groene, Frankie Livingston, Irene Bohannon, Bernice Burke, Ima Lee Phillips, Ethel Creek, Mary Check, Ruth Cooper, Alma Burdamey, Roxie Nevill, Alda Nevill, Zella Mikell, Frances Douglas, Mrs. A. Anderson, Hal C. Justus, D. C. Proctor, Vernon Cail and Sidney Boswell.

The new students who arrived at the Georgia Normal School for the Spring term, held a meeting Tuesday evening, May 3rd, organizing themselves into an association for the purpose of promoting a "Greater Georgia Normal".

The Constitution and by-law's were drawn and adopted.

The following officers were elected:

Mr. H.C. Justus, President; Miss Ola Herrington, Vice-President; Miss E. McCormick, Secretary-Treasurer. Committees were elected as following: Miss Martha Grissom, Mr. Roger Kicklighter, Mr. Sam Jones, E. McCormick, Sec. and Treas

FIELD DAY

We are all working for Field Day which is to be one of the big athletic events of the season. It is to be in the form of a Spring Festival and Athletic Meet. The idea is a contest between King Winter and Queen Summer. King Winter with icicles and snowdrops is driven from the field by the Queen's attendants; flowers, buds, and trees. These then crown her Queen of May. Two of the Spring attendants are Hope and Love. After King Winter has been driven out a number of dances and ~~events~~ are presented to the Queen in her honor. The idea is to represent a conflict between Good and Evil.

All students will participate in the athletic events. The main feature, being an indoor baseball game by the girls and a volley ball game by the boys. The boys will take part in all track events; the girls will take part in relays and stunts.

A good spirit of rivalry is being shown between the Hornets and Hustlers.

The program follows:

Work on Campus

The Georgia Normal campus is a place of beauty and everyone is proud of the efforts that have been made to keep the school close in touch with nature's wonders. A number of improvement's have been added which greatly enhance the beauty. The lawn has been mowed. Between the campus and the highway on each side of the driveway there are "The Pines" which remind me of radios catching messages and thoughts from loved ones at home, and which whisper, with words of encouragement, "Press On" to those who pass up the hill to higher heights. These woods have been cleaned of underbrush by the state convicts under supervision of Dr. Kennedy.

New swings and several new lawn seats have been placed here and there on the campus. The roads have been greatly improved by scraping which helps to make a more delightful ride for the many visitors who drive through the grounds.

Martha Grissom

Announcements

1. The Glee Club will sing at the Presbyterian Church to-night.
2. Friday there will be a track meet with Tifton A & M. The debate with Tifton will be Friday evening in the college auditorium.
3. Professor Z. S. Henderson of Eastman, our New Dean, will be here for chapel Saturday morning and will speak at Methodist Church Sunday morning.
4. The Annual Field Day will be held Tuesday, May 10.

One swallow doesn't make a summer, but it breaks a New Year's Resolution.

The Senior High School class met in the new auditorium last Saturday morning and elected officers for the year 1928-29. Those elected were:

President- Charlie Eble
Vice Pres.- Paul Thomas
Sec., Treas.- Blanche Fields.

The seniors have a large class this year which promises to be one of the best. Miss Trussell and Mr. Woodale are sponsors.

Campus Notes

We are very glad to have Miss Brunson back.

Miss Elizabeth Hodges, a graduate of last year, was a visitor here this week end.

Miss Mildred Jones spent last week end with their parents.

Among those that attended the football game in Savannah Saturday P.M. were: Shot Hall, Frank Screws, Ewell Alexander, Waldo Pafford, Paul Thompson, Sam Baker, Francis Mathis, and C. G. Rountree.

Miss Reta Lee spent week end with Miss Jewel Register.

Miss Bertha Lee Brunson spent the week end with parents in Register, Georgia.

Miss Lucile Rountree visited friends and relatives in Summit.

Miss Euclid Compton and brother J.V. spent week end with their parents in Clio, Ga.

Miss Mary Lou Moore of Statesboro, visited her aunt Mrs. Boll and friends at C.N.S. Sunday P.M.

Jokes.

The other morning in chapel Mr. Wells asked Shot Hall to raise the windows. After the windows were raised:

Mr. Wells: J.M., do you feel that aid blowing on you?

J. M.: That ain't what?

"You asked me to file these letters" began the New assistant.

"I did - what of it?" answered the chief clerk.

"Well-I just thinking it might be easier to crumple with a pair of scissors.

Britz Jones wears low socks playing football to keep his feet from going to sleep.

Thursday night the members of the Presbyterian Sunday School class were given a social at the home of Mr. and Mrs. Walter McDougald. Games were enjoyed the first of the evening. Refreshments were served. About eight of the Ga. Normal students were present.

Daisy and Blanche Fields spent this week end at their home.

Eva Morgan spent this week end at her home.

WEINER ROAST

The Oglethorpe Society entertained the new and old members with a weiner roast down in the pines last Monday evening.

Games were played while the coals were getting ready to roast the weiners. Everyone ate to his heart's content. Drinks were served with the weiners.

We are sure that this year will be a splendid year for the Society.
